

Business Mobile Banking

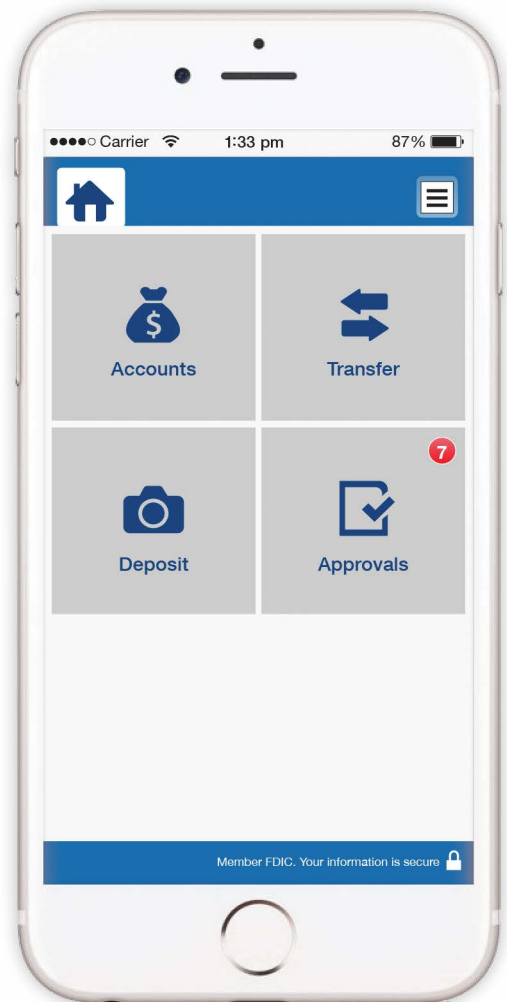

Anywhere. Anytime.

Bank on the go using your smartphone, tablet or other mobile device.¹

With just a touch, you can manage your business finances with the following features:

- **Access Accounts** – View balance, real-time transaction details and paid check images for the past 60 days.
- **Transfer Funds** – Move funds between your MetaBank accounts and receive instant confirmation.
- **Approval Notifications** – Set alerts for ACH, internal transfers, and wire transactions initiated by your business that require your attention.
- **Pay Bills** – Issue payments right from your mobile device.
- **Mobile Deposit²** – Take photos of endorsed checks and submit.

Get Started! *It's easy!*

1. Become a Business Online Banking customer. See your banker for details.
2. Download the MetaBank Business Mobile App to your device from the App Store[®] or Google Play[™].³

3. Login with your Business Online Banking credentials.
