

# Business Mobile Deposit

Anywhere. Anytime.

The freedom to make deposits virtually anywhere, anytime, using your smartphone or tablet.<sup>1</sup>

Making deposits to your checking or money market account is quick and easy with MetaBank's Business Mobile Deposit.

Funds are available the next business day if received by the daily cutoff time. You can check the status of your deposit in real time by selecting Deposit History within the Business Mobile App.

## How does it work?

- **Endorse your check**
- **Login to the MetaBank Mobile Business app** – Enhanced multi-layer security system
- **Select the Deposit tab** – Our screens are clear and easy to read
- **Select the account for deposit and input the dollar amount of the check** – The New Deposit function guides you step-by-step through the process
- **Take photo of the front and back of the check** – Images are validated to ensure they can be read
- **Confirm the details of the deposit**
- **Tap "Submit"** – Once your deposit has been confirmed, keep your check for 10 business days before destroying it
